2nd Floor
535 East 70th Street (between York Avenue
and FDR Drive), New York City

OVERVIEW

This is the second annual conference of the New York Neurological Society, whose mission is to provide high quality educational opportunities for its members, as well as a venue for networking and advocacy on issues of interest to the neurology community. At this daylong conference, clinical updates on major topics of neurology will be offered, as well as sessions devoted to the future of neurology and neurological advocacy.

TARGET AUDIENCE

Members of the New York Neurological Society and Neurology Resident Members of the Society

LEARNING OBJECTIVES

NYSNS and Hospital for Special Surgery educational activities are intended to improve the quality of patient care and safety. At the conclusion of this course, the participant should be able to:

- ✓ Identify new therapies for neurological disease
- ✓ Define how these new therapies can be implemented in their practice
- ✓ Acquire greater insight into the challenges to be confronted by the medical profession, and by neurologists in particular

Go to www.hss.edu/cme for a complete calendar of scheduled CME activities.

ACCREDITATION

Hospital for Special Surgery is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Hospital for Special Surgery designates this educational activity for a maximum of *7.0 AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity. The AMA has determined that physicians not licensed in the United States but who participate in this CME activity are eligible for *AMA PRA Category 1 Credits™*.

SPECIAL NEEDS

Hospital for Special Surgery is accessible for individuals with disabilities or special needs. Participants with special needs are requested to contact the Office of CME at 212.606.1613.

FACULTY DISCLOSURE

In accordance with the Accreditation Council for Continuing Medical Education's Standards for Commercial Support, all CME providers are required to disclose to the activity audience the relevant financial relationships of the planners, teachers and authors involved in the development of CME content.

An individual has a relevant financial relationship if he or she has a financial relationship in any amount occurring in the last 12 months with a commercial interest whose products or services are discussed in the CME activity content over which the individual has control. It is the policy of Hospital for Special Surgery to disclose all financial relationships that planners, teachers and authors have with commercial interests.
